

Calling all Altar Servers!

Boys and girls 4th grade through high school

The Church of The Nativity is looking for more children to join our current group of altar servers who assist the priest on the altar during Mass. This is a role which only **your** sons and daughters can fill!

Each altar server:

- typically serves one, occasionally two, Masses a month. Great way to do service/volunteer hours!
- one 45 minute orientation session with Father Chris and Dr Ken Laughinghouse, coordinator for altar servers
- can sign up in pairs with their friends or younger or older siblings if they wish

We have orientation scheduled for Sunday, October 20th after 9:30 Mass (about 10:25) in the main Church; other arrangements are also possible

Please email altarservers@nativitychurchnj.org to sign your son or daughter up or if you have any questions. Thank you!
