

The CHOSEN

THE CHOSEN CHALLENGE

As you prepare for Confirmation and begin working on your Confirmation packets, we encourage you to watch the Chosen series on your own or with your parents. This series highlights the ministry of Jesus and His Apostles. Watching this series will help you to see Jesus and his Apostles as real people and allow you to more fully understand the Gospel readings when you attend mass and do your mass quizzes throughout the year. It may also help you in choosing your Saint name for Confirmation as well.

You can watch the Chosen Series, Seasons 1 through 5, on Amazon Prime Video.

You can also watch the Chosen for free on the Chosen website watch.thechosen.tv. You must sign up for a free account to watch Season 5.

The Chosen is also available for free on the Chosen App

Episodes 1 through 3 of Season 6 will be available on Amazon Prime beginning on November 15, 2026. Episode 4 (Nov. 22 nd), Episode 5 (Nov. 29 th) and Episode 6 (Dec. 6 th) will follow. The last two episodes of season 6 will be available in theatres as a movie in Spring 2027.

Season 7, the final season, will be available in theatres beginning March 31, 2028.

After watching each episode, please read through the questions for that episode and silently reflect on how you would respond. You DO NOT have to write answers to any of the questions. Mark off on your sheet after you have watched and reflected on each episode and return your sheet during the school year once you have watched all of the episodes. **Parents should sign the form and it should be returned before Confirmation.**
